

How to Enroll in the Monitoring and Evaluation of Malaria Course

1. Before enrolling the Monitoring and Evaluation of Malaria course, a user must first create a Moodle account. To create a Moodle account, go to <http://www.memalaria.org/>. Click on the button to “Create new account” and follow the instructions.

2. Once you have created an account and logged in, click on the link for the “Monitoring and Evaluation of Malaria course – Online Course” under Available courses.

3. On the course front page, click on the gray gear in the top right corner and select “Enrol me in this course”. You are now enrolled in the course.
